EXPERIENCE

HackIllinois 2015 Urbana, IL
Web Developer Sep 2015 - present

Worked with a team of developers and designers to build the website for one of largest hack events in the Midwest.

Qualcomm San Diego, CA
Software Engineer Intern May 2014 - Aug 2014

Designed a framework to automatically validate Android user interface. Used Perl, Java, and Batch scripts to integrate the tool into the testing platform. Developed and refactored APKs used in testing.

Locket Urbana, IL
Web Developer Intern Oct 2013 – Dec 2013

Built the press and developer sites for Locket, an Android app startup.

ACTIVITIES

RISE Sep 2014 – Sep 2015

Worked to develop the website for a student led immigration reform organization.

ACM Aug 2013 – present

Member of Web Monkeys and Immobile, student interest groups for web development and mobile/Android. Active volunteer at student run events such as HackIllinois and Reflections Projections.
