EXPERIENCE

Slack San Francisco, CA
Front-end Developer May 2016 – Aug 2016

Worked to implement new features on the Slack web client.

Qualcomm San Diego, CA
Software Engineer Intern May 2014 – Aug 2014

Designed a framework to automatically validate an Android user interface. Used Perl, Java, and Batch scripts to integrate the tool into the testing platform. Developed and refactored APKs used during testing.

ACTIVITIES

HackIllinois 2015 Sep 2015 – Dec 2015

Worked with a team of developers and designers to help build the website for one of largest hack events in the Midwest.

RISE Sep 2014 – Sep 2015

Engineer in a student led, immigration reform organization that leveraged web technologies to promote political change.

ACM Aug 2013 – present

Member of Web Monkeys and SIGMobile, student interest groups for web development and mobile/Android. Active volunteer at student run events such as HackIllinois and Reflections Projections.
